communicate with Dr. Charles W. Berry, national Red Cross headquarters, who has written to local chapters that the national organization desires to enlist medical men for relief work among children of Europe.

The "open house" exhibition of Christmas meat staged Sunday by the Wolff Packing company, attracted some 500 people during the afternoon. Salesmen were on hand to guide the visitors thru the plant and explain the exhibit, which was educational, and intended to teach the purchase of meat how to buy and use it economically.

Altho it is Christmas shipping time and also tax paying time, with the family purse stretched to its limit, Topeka citizens are paying their water bills at an honest and rapid rate, according to F. C. Stevens, cashier of the water department. Collections so far in December are 30 per cent better than at this time last year, according to Stevens.

Prizes of \$100 each have been offered by the Kansas Authors club for the best poem and the best short story produced during 1920, by residents of Kansas. The contest will close December 31. Four original meetings have been held during the year by the club, in Hays, Dodge City, Kansas City, Kan., and Pittsburg. The object of the club is to stimulate interest in literature throughout Kansas.

Many starving children in Europe will benefit from the generosity of the Lowman Memorial church as a result of the collection of \$96.00 on Sunday for European relief. The Sunday school contributed \$88.43, the morning congregation \$348.16 and the evening congregation \$77.75. The amount has been telegraphed to the Methodist Sunday school board at Chicago so that it may be used immediately in giving aid.

The advisory board of the Salvation Army met today in the parlor of the Chamber of Commerce to discuss the distribution of various relief funds to the various corps from the recent campaign returns. Eighteen counties had not yet reported the results of their respective campaigns.

In the three hundredth anniversary of the landing of the Pilgrims, eighty persons took part in the singing of "The Pilgrim and the Book" at the Westminster Presbyterian church, Sunday night. Contributions for relief funds will be taken at the church Thursday evening, when a children's Christmas program will be held. "The Coming of the King," cantata, will be given next Sunday night by the children of the Sunday school. The Rev. George A. Newell, Hastings, Neb., will deliver the Christmas sermon next Sunday morning.

## MOTHERS TO FIGHT CIGARET

The most serious menace in its history is yet to face the cigarette. That will be when the mothers of the city array themselves against the cigarette, an enemy that has found friends in their sons, and even in their daughters.

In the same manner that a Red Cross campaign or the child welfare campaign or many of the other "drives" the city has experienced were conducted, a housewives' campaign of Topeka will be made to interest mothers in the fight against the cigarette. Mothers of the city will be asked to join the anti-cigarette campaign to be directed by Mrs. J. R. Sargent, 1625 Jewell avenue early in January.

"We need the same kind of war against the cigarette that we had against slavery, against liquor traffic, and for woman suffrage," declared Dr. D. M. Fisk, in speaking before the meeting of anti-cigarette workers with the Ministerial Alliance at the Central Y. M. C. A. this morning. Plans of various kinds for strengthening the anti-cigarette fight were made.

To enlist every church in the state in the crusade, is the plan of the local ministerial alliance. Miss Lucy Page Gaston spoke before the alliance today. The letter of Miss Gaston to President-elect Harding, urging his support of the anti-cigarette movement, is causing much comment in the city and state and probably will attract national interest.

## Local Mention

The city will save money if the citizen will keep his elders from the furnace separate from the other accumulated trash, according to W. R. Hancock, commissioner of streets. Elders are useful in leveling alleys, if the elders are not mixed with other trash, he said.

You get apple pie like mother used to bake at Central Y. M. C. A. Cafeteria.—Adv.

The importance of Christmas depends upon the spirit in which the day is observed, declared the Rev. L. M. Birkhead of Kansas City, Mo., in speaking at the First Unitarian church Sunday night.

"A Christmas tree party" with toys and candy, with a jolly entertainment, will be given by the Security Benefit association at the lodge hall, 521 Quincy street, for the children of the Security Benefit home and hospital, Christmas eve. Mrs. J. M. Kirkpatrick and Miss Mary Louise Kirkpatrick are in charge of the affair.

Raymond, Chiropractist, Orpheum Bldg.—Adv.

The executive committee of the child welfare organization will meet at the Chamber of Commerce Tuesday, December 21, at 1:30 o'clock. Recommendations for legislation for child welfare will be made at the meeting, based on the findings in the recent child welfare survey. Members of the executive committee are Mrs. C. C. Bailey, D. F. Shirk and N. W. Benning.

Dr. Lyngar, Dentist, 509 Kansas Ave.—Adv.

Mexican children of Branner Annex school will be guests of their teachers at a Christmas tree party at the school, Second and Madison street, Thursday afternoon.

One method suggested by Dr. G. W. Hill, chief city food inspector, for increasing one's Christmas shopping fund would be to return the empty milk bottles that are lying around in almost every home. Milk bottles are worth 7 cents in any store that sells milk. Dairymen are experiencing a shortage in milk bottles and would appreciate their customers returning them.
